1 Introduction

1.1 Scope and Purpose
This guide has been written for administrators, which covers Tutorial Officers, Finance Officers and Senior Tutors. Not all sections will be available to all of these Roles.

1.2 Useful Links
CamCORS can be accessed at https://apps.casc.cam.ac.uk/ors.
New Supervisors must apply for an account at https://apps.casc.cam.ac.uk/supervisor-application.
Contact the CamCORS helpdesk help@camcors.cam.ac.uk for support.

1.3 Document Conventions
In this document capitalised words usually refer to CamCORS terms. For example, ‘Students at your College’ refers to people with the CamCORS Role Student, not all students at your College.

Menu options or Home page buttons are referred to using Lookup > Payment rates or Home > Report Search.

Links and button names are shown in single quotes eg 'View'.

1.4 Glossary of Terms
Here are some terms that will be useful when reading this guide. A more comprehensive glossary is given in Appendix A.

Activity
An activity that a Non-supervision Report can be written for eg Study Skills.

Category
A category for which a General Claim can be made eg Invigilation.

Claim
Any Supervision Report, Non-supervision Report, or General Claim created in CamCORS.

Claimant
A person who is making a claim for payment from your College. They require the Supervisor Role.

Claim State
A Report or Claim transitions through several distinct states in CamCORS. The Claim States are:
- Draft
- Returned
- Submitted
- Approved
- Refused
- Exported

Claim Type

The Claim Types are:
- Supervision Report
- Non-supervision Report
- General Claim

Course

A Course consists of Tripos Parts and Papers. Course Directors and Course Co-ordinators can see Supervision Reports based on their Courses.

General Claim

Work that is not related directly to a Student. For example, invigilation, marking, etc.

Payment Option

The way in which a Supervisor elects, or is allowed, to be paid. For example, Direct payment or Via payroll.

Report

A Report provides feedback on a Student to their College. It also provides the information required to pay the Supervisor. There are two types of Report, Supervision and Non-supervision.

Supervision Report

Report on a Student given classes for Tripos-related teaching.

Non-supervision Report

Report on a Student given classes for skills-related teaching.

Role

A User always acts under a specific Role and Institution. The Role and Institution determine what they can do and for which Students.
2 User Accounts and Roles

2.1 Raven

A User must have a Raven account to login to CamCORS. Raven accounts are provided by UIS. Contact your College IT office for help with Raven.

2.2 Role Access Control

Access to CamCORS for Raven-authenticated Users is managed using a separate application called Role Access Control (RAC). A User must have a RAC record and at least one Role. They can have multiple Roles at multiple Colleges.

RAC records are either assigned automatically by the CamCORS application (eg the Student Role) or by the CamCORS helpdesk (eg the Tutorial Officer Role).

2.3 College Roles

Menu items for each College Role are shown in Appendix B. This may be useful if you need to provide support to other College Users.

Tutorial Officer (TO)

Usually a member of the Tutorial Office. They can view all Reports and Claims for their College. They manage the set up for the College. Role is assigned by the CamCORS helpdesk.

Finance Officer (FO)

Usually a member of the Finance Office. They can download payment data. Role is assigned by the CamCORS helpdesk.

Senior Tutor (ST)

The College’s Senior Tutor. They can view all Reports and Claims for their College. Role is assigned by the CamCORS helpdesk.

Director of Studies (DOS)

Responsible for a Student’s supervisions. They can approve their Students’ Reports for payment and Release Reports to their Students. Role is assigned to people with the Student Advisor (DoS) role in CamSIS by the CamCORS application.

Tutor (TUT)

Pastoral responsibility for a Student. They can view their Students’ Reports. Role is assigned to people with the Student Advisor (Tutor) role in CamSIS by the CamCORS application.
Course Co-ordinator (CC)

Responsible for Students of their College who are taking the Courses they have been assigned. Role is assigned by the CamCORS helpdesk.

Student (STU)

Undergraduate or Postgraduate at the College who can receive supervisions. Role is assigned by the CamCORS application based on CamSIS data.

2.4 Non-College Roles

Supervisor (SUP)

Anyone who needs to create Reports or make a claim for payment needs to have the Supervisor Role. The User must register for the Role each year. They may be automatically approved for the Role or need to be approved by a Tutorial Officer. Role is assigned by the CamCORS application.

Supervisor – former (SUPF)

Supervisor whose registration has expired. Role is assigned by the CamCORS application.

Course Director (CD)

A person working in a Department or Faculty who has a limited view of all Reports for the Courses they have been assigned. Role is assigned by the CamCORS helpdesk.

System Administrator (SA)

CamCORS helpdesk. User can enter and update inter-collegiate Payment Rates and set up new General Claim Categories, for example. Role is assigned by the CamCORS helpdesk.

3 System overview

CamCORS (Cambridge Colleges’ Online Reporting of Supervisions) is a web-based application developed, maintained, and supported by CASC, on behalf of the Senior Tutors’ Committee. CASC is part of OIS, which is a company wholly owned by all the Colleges.

CamCORS is an online system for providing feedback to Students and Colleges on Students’ supervisions, both Tripos and non-Tripos related, and for claiming payment for this work. It can also be used to claim for payment for other academic related work such as setting and marking of exams.
3.1 Users

Supervisors and other claimants must register as Supervisors on CamCORS to create Reports and Claims.

Students and their advisors (Directors of Studies and Tutors) are derived from CamSIS data. Other Roles, such as Senior Tutor and Tutorial Officer, must be assigned in CamCORS.

3.2 Home Page

Quick links to commonly used menu items are shown on the Home page, which is displayed on login or by clicking on the Home menu.

Some of the tiles on the Home page show a number in a red badge, indicating there is data waiting to be processed.

Tutorial Officer

Finance Officer

Senior Tutor
3.3 Data Retention

The Data Retention period has been set by Colleges/Project Board/OIS. Data is deleted if it relates to an Academic Year 10 years older than now. For example, if the current Academic Year is 2023-2024 then the oldest Reports in CamCORS will be for Academic Year 2013-2014.

Note: Data for Student Files should be downloaded within the Data Retention period if you need to keep it for longer.

3.4 Reports

Reports provide feedback to Students and Colleges on a Student's supervision (tripos related) and non-supervision (skills) classes.

3.5 Claims

Claims for payment are made either by creating Reports or General Claims.

3.6 Payments

Payments are not made in CamCORS, however Claims are shown as Exported when they have been downloaded to be processed in a College’s external payment system.

4 Report Search

The Report Search page can be accessed from:

- Home > Report Search
- Supervision Reports > Search
- Non-supervision Reports > Search

All College Roles, except Finance Officer, have access to the Report Search page but the search options available to them may differ slightly and the Reports to which they have access varies.

- Tutorial Officer – all Reports for Students at this College
- Senior Tutor – all Reports for Students at this College
• Director of Studies – all Reports for their dosees at this College
• Tutor – all Reports for their tutees at this College
• Course Co-ordinator – all Supervision Reports for their Courses at this College

The page has multiple functions:
• Quick Search
• Advanced Search
• Student Gallery
• PDFs
• CSVs
• Sending Email
• View Report – User can Approve, Refuse, Release, comment, etc

4.1 Quick Search

Standard search fields available should cover most searches needed.

All, or a subset, of the Reports returned by the search can be selected (ticked) for some of the functions such as PDF, CSV and Email.

Any Report can be viewed.
4.2 Advanced Search
Clicking on the ‘Advanced filter’ button gives you a side panel with more filter options.

4.3 Student Gallery
Clicking on ‘Photos’ opens a new tab showing photographs of all the Students for each selected record in the search results. You can further filter on the Gallery page.
The photographs are pulled from the University Photograph database. If no photograph is found, or the photograph interface is temporarily unavailable, then a default silhouette image is shown.

4.4 PDFs
Clicking on ‘PDF’ will download a zip folder containing a PDF for each selected record in the search results. The contents of the PDF will depend upon the State of the Report. Only a stub view of Draft Reports is shown.

4.5 CSVs
Clicking on ‘CSV’ will open a dialog which allows you to select the fields you want to include in a CSV file. The downloaded file will contain data for the selected records in the search results.
4.6 Sending Email

Clicking on 'Email' will open a dialog which allows you to select the recipients of the email, enter the subject and compose a message.

Clicking on 'Preview' shows you who the recipients of the email will be and a preview of its contents. The recipients are based on the selected records in the search results.

The recipients are always BCC’d and the sender is always sent a copy.

Click on 'Send emails' to send the email.
What can be seen on a Report, and which actions can be carried out, depends upon the user's Role and the report's Status.

For example, a Tutorial Officer can see all the detail of a Submitted Report but only the stub of a Draft Report. A Tutorial Officer can undo the Status of an Approved Report but cannot change the Status of an Exported Report.
5 Processing Reports

Reports can be processed by the Student's DoS, a Tutorial Officer, or the Senior Tutor.

Submitted Reports can be seen by going to:

- Home > Submitted Reports,
- Supervision Reports > Approve, or
- Non-supervision Reports > Approve.

Click on the view button to see the details and make a decision.
You can scroll through all the Claims using the ‘Previous’ and ‘Next’ buttons.

Submitted Reports can be:

- Approved – Report able to be Exported for payment.
- Refused – Report will not be paid.
- Returned – Supervisor able to edit and re-submit the Report.

If a mistake was made you can 'Undo' Approved and Refused Reports. This will return the Report to the Submitted State.

### 5.1 Commenting on Reports

Comments can be added to the Report which can be seen by the Supervisor, the Student, or both. Comments for the Supervisor may be used when the Report is Returned.

### 5.2 Releasing Reports

Reports can be Released or Unreleased individually, by clicking on the Released tick box on the Report, or a batch of Reports can be Released or Unreleased by selecting the Reports on the page and clicking on ‘Release’ or ‘Unrelease’.

### 6 Payments

Payments are not made from CamCORS however claim data is generated in CamCORS and can be exported to separate payment systems, the most commonly used being CASC’s [PPS](#).

#### 6.1 Manage Payment Data

On [Payments > Manage Payment Data](#) you can see how many Claims are Approved but not yet Exported. Clicking on ‘Download approved claims’ will download a file for each Claim Type in the dataset and mark all the Claims as Exported. The downloaded files will be in the correct format for upload to PPS.

You can also download Claims that have already been Exported by entering the Exported date range you want to download. Clicking on ‘Download exported claims’ will download a file for each Claim Type in the dataset.

#### 6.2 Payments made to your College

If a Supervisor makes a Claim from another College with the Payment Option ‘payroll’ at your College, then the other College will remit payment to your College. It is useful for you to see what payments are expected and which have been exported.

##### 6.2.1 Download

On [Payments > Payments from Colleges > Download Payments](#) you can download files of payments expected which can be uploaded to PPS or otherwise processed. Clicking on ‘View claims’ gives you a preview of 10 claims for each Claim Type.
6.2.2 View
On Payments > Payments from Colleges > View Payments you can select Claims Submitted within a specified date range. You can then filter on the paying College, Supervisor, Term and Claim State. This may be useful when answering queries from Supervisors on your payroll.

7 Emails sent by CamCORS

7.1 Event emails
Email notifications are sent when triggered by events in the system such as a supervisor applying to register, a report submitted with academic concern etc. Most notification emails are sent overnight. A full list of email notifications is given in Appendix C.

7.2 Notification settings
The Tutorial Officer, Senior Tutor and DoS Roles can turn off some of the notifications they receive.

Notification emails for these Roles are sent to:

- Tutorial Officer: supervisions@[college].cam.ac.uk
- Senior Tutor: senior.tutor@[college].cam.ac.uk
- Director of Studies: <crsid>@cam.ac.uk

To manage notification settings:

1. Go to Settings > Email Notifications
2. Click on 'Edit' to turn notifications on and off

Note: Turning off notifications for a Tutorial Officer turns off notifications for ALL Tutorial Officers at your College.

8 Reporting

8.1 Supervisions Reported
Supervision Reports > Supervisions Reported shows you all the Students for whom you have responsibility, and lists all their Supervision Reports for the period selected.

The data can be output as a PDF or a CSV file.
8.2 Supervisor Hours

Management > Supervisor Hours shows you all Supervisors who have declared themselves to be a member of your College, and their hours for the selected Academic Year. The data can be filtered on Term and Academic Post.

Four sets of hours are given:

  - Teaching for Students of your College, paid via your payroll
- **External payroll**
  - Teaching for Students from other colleges, paid via your payroll
- **Internal self-employed**
  - Teaching for Students of your College, paid direct

This page allows you to check that Postgraduate students are not exceeding the recommended hours.

The data can be output as a CSV file.
8.5 Supervision Costs by DoS

Hours and Costs of Supervisions are available in Management > Supervision Costs by DoS. Figures are given for each Student, and Totals and Averages are given for each Director of Studies, for the selected Academic Year.

The data can be output as a CSV file.
8.6 Supervision Costs By Tripos Part

Hours and Costs of Supervisions are available in Management > Supervision Costs by Tripos Part. Figures are given for each Student, and Totals and Averages are given for each Tripos Part, for the selected Academic Year.

The data can be output as a CSV file.
9 Supervision Statistics

Standard statistical reports have been provided for Tutorial Officers, Senior Tutors, Course Directors and System Administrators. Statistics can be produced for any previous Academic Year and are based on Exported Supervision Reports only.

System Administrators and Course Directors can see statistics for all Colleges without anonymisation of Colleges. Tutorial Officers and Senior Tutors can choose to see statistics for their College only or for all Colleges, however other College data will be anonymised.

All reports have the option to group by Term, Subject and Tripos Part, and any combination of these.
The reports can be output as CSV files. These files will contain 'raw' data i.e durations as minutes and amounts as pence.

If there is a report that you think is missing, or you want an ad hoc report, contact the CamCORS helpdesk.

### 10.2 Configure Categories

In [General Claims > Configure Categories](#) a Tutorial Officer or Finance Officer must configure the Categories that they want to allow every Academic Year. Configuration defines the rate of payment and maximum claim amounts and hours.

#### Configure Categories

Configure the categories of General Claim which Supervisors can make to your College.

Categories must be configured for each Academic Year. You can copy Categories from last Academic Year, updating the rates, by clicking on 'Copy Categories'. If a Category is edited this will not affect existing Claims for that Category.

General Claims also must be enabled for your College on the [Settings > College Preferences](#) page.

  - Fixed: the Claim amount will be calculated from the hours and rate
  - Advisory: the Claim amount will be calculated from the hours and rate, but can be modified by the Supervisor
  - None: the Claim amount must be entered by the Supervisor

- **Hourly rate**
- **Maximum hours**
- **Maximum amount**

It is possible to copy all the Categories that are in use at your College from one Academic Year to the next with updated rates for the new year.

### 10.3 Processing General Claims

Tutorial Officers and Senior Tutors can Approve General Claims. To see all Submitted General Claims go to [Home > General Claims](#) or [General Claims > Approve](#).
General Claims

Click on the view button to see the details and make a decision.

Submitted Claims can be:

- Approved – Claim able to be Exported for payment.
- Refused – Claim will not be paid.
- Returned – Claimant able to edit and re-submit the Claim.

If a mistake was made you can ‘Undo’ Approved and Refused Claims. This will return the Claim to the Submitted State.

11 College Users
All College Users, except Students, can be seen in Users > College Users.

11.1 Administrators
Administrator Roles managed by the College are:

- Tutorial Officers
- Finance Officers
- Senior Tutors
**11.2 Student Advisors**

Student Advisor Roles are:

- Directors of Studies
- Tutors

Directors of Studies and Tutors are created from CamSIS data. If their data is incorrect then

1. Check the data is correct in CamSIS.
2. If CamSIS not correct, correct it, wait til next day for CamCORS to be updated.
3. If CamSIS correct but CamCORS not then contact the CamCORS helpdesk.

It would be best if you make all changes in CamSIS, however, if you really want to make a change in CamCORS but not CamSIS then contact the CamCORS helpdesk to add a temporary advisor.

**11.3 Students**

Students are created from CamSIS data. If their data is incorrect then

1. Check the data is correct in CamSIS.
2. If CamSIS not correct, correct it, wait til next day for CamCORS to be updated.
3. If CamSIS correct but CamCORS not then contact the CamCORS helpdesk.

It would be best if you make all changes in CamSIS, however, if you really want to make a change in CamCORS but not CamSIS then contact the CamCORS helpdesk to add a temporary advisor.

Can see Student's - advisors, tripos parts, current year, away/visitor

**11.4 Course Co-ordinators**

A Course consists of Tripos Parts and Papers. Course Directors and Course Co-ordinators can see Supervision Reports based on their Courses.

**11.4.1 Courses**

Courses are a set of Tripos Parts and Papers. They can be seen in Settings > Courses. If a Tripos Part is added then all Reports relating to that Tripos Part can be seen. If Papers are added then only Reports relating to those Papers can be seen.

If you require a new Course to be defined, contact the CamCORS helpdesk.

**11.4.2 Course Co-ordinators**

To add a Course Co-ordinator to a Course go to Settings > Courses and click on Add person. You can also look up Course Co-ordinators in Users > Course Co-ordinators.

A person needs to be set up with the Role Course Co-ordinator by the CamCORS helpdesk.
12 Supervisor Registration

12.1 Applying for a Supervisor account
Claimants must register for a CamCORS Supervisor account every year. The majority of claimants will be automatically approved but if they are linked to a College, as they are on the payroll or a student for example, then they will require approval by their College.

12.2 Processing Supervisor applications
A Tutorial Officer can approve or deny applications for a Supervisor account. The checks that the Tutorial Officer should carry out (visa restrictions, worker agreements in place, etc) are out of the scope of this document and are the responsibility of the College. The applicant will be emailed the decision.

Decisions cannot be undone. The applicant would need to apply again.

If a decision is not made by the College within 4 days then the application becomes Void. If the applicant needs a decision to be made by your College then they will have to apply again.

To process applications:

1. Go to Home > Approve Supervisors or Users > Approve Supervisors.
2. If there are any pending applications click on ‘Open’ to view the details.
3. Click on ‘Approve’ or ‘Deny’ when you have done all the necessary checks.
13 Settings

13.1 College Preferences

In Settings > College Preferences there are some college-wide parameters that can be configured by a Tutorial Officer.

Supervisors can create General Claims

Allow Supervisors to make General Claims from your College. If this is set to ‘Yes’ there must be General Claim Categories configured for the Academic Year.

Supervisors can create Non-supervision Reports

Allow Supervisors to create Non-supervision Reports for Students at your College.

Supervisions URL

You can set up a webpage on your College website with college specific information for Supervisors who are claiming payment from your College. The webpage could give information about your deadlines for submission and approval, payment date runs, contact information, etc. It is up to you to keep this webpage up-to-date.

A link to the webpage will be included on all Reports for your College. It will also be shown in CamCORS on Lookup > College Information, which is available to most Roles.

13.2 Courses

Courses can be seen in Settings > Courses. Courses are groups of Tripos Parts and Papers. If a User has the Course Co-ordinator Role, and is assigned to a Course, they can see all Supervision Reports relating to the Tripos Parts and Papers for that Course. A Course Co-ordinator can be given access to any number of Courses.
If a Course has a Tripos Part then the Course Co-ordinator can see all Supervision Reports related to that Tripos Part, including Supervision Reports without a Paper.

If a Course has a Paper then the Course Co-ordinator can see all Supervision Reports related to that Paper.

For example:

- To see 1st years doing French and Spanish, assign
  - MLT0 French, and
  - MLT0 Spanish
- To see 1st and 2nd years doing German, assign
  - MLT0 German, and
  - MLT1 German

Tutorial Officers can add and remove Course Co-ordinators. Click on the ‘View’ button and then on ‘Add person’. You will need to know the CRSid of the Course Co-ordinator you want to add.

If you want to set up new Courses, or make changes to existing Courses, contact the CamCORS helpdesk.

## 14 Lookup

### 14.1 Claim States

The Claim States used in CamCORS and their description are listed on `Lookup > Claim States`.

### 14.2 College information

All college email contacts and webpage links for CamCORS are listed on `Lookup > College Information`.

To update the link for your own College go to `Settings > College Preferences` and update the `Supervisions URL`. The contact email address is always `supervisions@[college].cam.ac.uk` and this email address must be handled by your College.
14.3 Non-supervision activities
Activities for which Non-supervision Reports can be created are shown in Lookup > Non-supervision Activities. These Activities have been set by the Senior Tutors’ Committee. Colleges can decide if they want to allow claims for these in CamCORS by updating Supervisors can create Non-supervision Reports in Settings > College Preferences.

14.4 Tripos parts and papers
Tripos Parts and Papers for which Supervision Reports can be created are shown in Lookup > Tripos Parts. These are updated daily from CamSIS. If you think any are missing or incorrect contact the CamCORS helpdesk.

15 Appendix A – Glossary

15.1 University of Cambridge terminology

*Academic Year*

The University's [Academic Year](#) commences on 1st October and finishes on 30th September each year.

*Cambridge Terms*

The Academic Year is divided into three terms, with a Long Vacation over the summer: Michaelmas Term (October – December), Lent Term (January – March), Easter Term (April – June).

*CamSIS*

[The Cambridge Student Information System](#) is the University’s comprehensive system for handling student information, records and transactions. It is the official repository of a Student’s record from admissions to graduation, used by staff, Students and alumni to manage and extract student data.

*Card Office*

[The UCAM Card](#) (or University card) is a contactless identity and access card issued to University staff and Students, produced by the Card Office. Photos of Students are retrieved from the University Card system to add to CamCORS student records.

*CASC*

Software development part of OIS.

*Class*

A grade of honours, as in First Class, Second Class, Third Class. Unlike most undergraduate degrees, Cambridge Students receive a Class for each year of their B.A. (undergraduate degree).

*College*

As well as being members of the University and an academic faculty/department, undergraduates also belong to a College. There are 31 semi-autonomous constituent Colleges, communities of students, academics and staff. [29 Colleges admit undergraduates](#) to the University, they each provide undergraduates with accommodation and pastoral support, and organise elements of their Students’ tuition in the form of Supervisions.

*College Office*
Each College has a College or Tutorial Office which is typically responsible for supporting Students throughout their academic life, by administrating admissions, Student records, examinations, and graduation.

*Collegiate University*

The University and Colleges are independent institutes, when referring to them collectively the phrase ‘collegiate University’ is used.

*CRSid*

The Common Registration Scheme identifier is a unique username for University staff, Students, and affiliates. The CRSid is used as the local-part of University e-mail addresses (the part before the ‘@’ symbol) and when accessing online resources.

*Director of Studies (DoS)*

Supervisions are typically organised by Directors of Studies, appointed by Colleges, who are responsible for the oversight of Students’ academic work in a particular subject within a College.

*EAMC*

The Examination Access and Mitigation Committee considers applications for Students to disregard terms; receive dissertation and coursework extensions; accept illegal combinations of papers; remit fees; and intermit from Triposes. These applications typically require evidence, which can include Supervision Reports.

*Faculties and Departments*

The University has six Schools, which constitute administrative groupings of Faculties and other institutions. University Faculties organise teaching and research into individual subjects or groups of subjects, their work is normally organised into sub-divisions called Departments.

*H01 Code*

A unique identification code for every Tripos.

*H03 Code*

A unique identification code for each Paper, and other explanatory texts for exam enrolment. If a Paper is ‘borrowed’ by Students enrolled in another Tripos, it will have a separate H03 Code for that Tripos.

*Intercollegiate Re-charge Rate*

Colleges set their own payment rates for Supervisions, however when a Supervisor teaches Students from a different College there is an agreed rate at which one College will
reimburse the other for that work. The intercollegiate re-charge rate is set for each Academic Year by the Colleges.

**Jackdaw**

*Jackdaw* is the University Information Services’ administrative database. Jackdaw holds consolidated Actor administration records for staff and Students in the University, it receives daily feeds from CamSIS, the Card Office, and periodically feeds into a variety of services/systems.

**OIS**

Office of Intercollegiate Services...

**Paper**

A Paper is an individual module, unit or topic on an undergraduate course. Students usually take a number of papers each year (some are compulsory and some can be chosen from several options).

**Part**

Each Tripos is divided into one or more Parts, an undergraduate must complete a number of Parts in one or more Triposes to qualify for the B.A. degree. Most Triposes are divided into two Parts, and as Triposes are typically three years in length one Part will be divided over two years, e.g. Part IA, Part IB, and Part II. Some Triposes, e.g. the Mathematical Tripos, have three Parts, of which the third is additional to the requirements of a BA and is more or less the equivalent of a postgraduate certificate of research.

**PPS**

PPS is CASC’s Payment Preparation System which is used to process claims exported from CamCORS and generate payments.

**Raven**

Raven is the University's central web authentication service, utilising CRSid's for user identities. Raven accounts are created as a matter of routine for Students and University staff but can otherwise be created by the University Information Services.

**Semester Student**

A CamSIS attribute for a Student from overseas who is studying a degree elsewhere but taught partially by the University.

**Senior Tutor**

Each College has a Senior Tutor, an officer with wide-ranging responsibilities within the College across both educational and pastoral matters. They typically maintain close contact.
with Directors of Studies and Tutors with an overview of the Supervision system, and awareness of College teaching in different Triposes.

**STC**

Senior Tutors’ Committee, ultimately responsible for CamCORS.

**STEC**

Senior Tutors’ Education Committee, a sub-committee of the STC.

**Supervision**

A Supervision consists of small group teaching led by a Supervisor, someone learned in the subject being studied, to explore the curriculum in greater depth and/or breadth. Compared to University teaching, which is organised by Faculties and Departments and provided to all Students studying a course regardless of College membership, supervisions are typically organised by Colleges for their own Students.

**Supervisor**

Supervisions are held by Supervisors, academics such as PhD students, post-doctoral researchers, and contracted teaching staff appointed by Colleges or the University. Supervisors are not necessarily a member of the same College that the Students they supervise belong to, they can also be unaffiliated with any College or sometimes external even to the University. For these reasons, a Supervisors can be on a College’s Payroll, be paid by a University Faculty or Department or essentially be self-employed.

**Student**

Supervisions are primarily provided for Triposes, however they are also given to those studying some postgraduate courses such as taught Masters courses, Clinical Medicine, or Clinical Veterinary Medicine. University of Cambridge Students who receive Supervisions can therefore be undergraduates or postgraduates. All Students are a member of a College, a Student cannot be affiliated with multiple Colleges but can transfer between Colleges during their studies.

**Tripos**

Cambridge undergraduate courses are assessed through examinations in broad subject areas formally called Triposes, e.g. the Historical Tripos. For this document, ‘Tripos’ will also refer to non-undergraduate courses which also use Supervisions, and therefore utilise CamCORS (see paragraph *Error! Reference source not found.* for examples of such courses).

**Tutor**
A Tutor is a Tutorial Officer who is responsible for providing ‘pastoral support’ to Students. Tutors may be approached for advice in addressing questions about financial, health, family or other personal issues that may be affecting their Students’ ability to pursue their studies effectively.

**UIS**

The University Information Services provide a range of IT services for all Actors at the University.

**University**

The University of Cambridge is a collegiate research university, with over 150 academic departments, faculties and other institutions organised into six Schools. For undergraduates the University determines course content; organises lectures, seminars, practicals and projects; sets and marks examinations; and awards degrees.

**University Lookup**

University Lookup is a database containing information about every person and every University institution known to University Information Services, together with a small number of University-related institutions. It functions as the primary online telephone and email directory for the University.

**USN**

The Unique Student Number is a 9-digit number allocated to each Student when they become a member of the University, used to identify individual Students.

### 15.2 CamCORS terminology

**Activity**

An activity that a Non-supervision Report can be written for.

**Actor**

An Actor is any person who accesses CamCORS, due to them receiving, giving, arranging, or reviewing Supervisions or Non-supervision activities.

**Claim**

Any Supervision Report, Non-supervision Report, or General Claim created in CamCORS. Ultimately, Claims are exported by Finance Officers to pay Supervisors for their work.

**Claim State**

A Report or Claim transitions through several distinct states in CamCORS, from its creation to processing for payment or rejection.
Claim Type

Supervision Report, Non-supervision Report or General Claim.

Claimant

A person that drafts and submits a claim, via CamCORS, for some work undertaken. A Supervisor (see paragraph 0) will be a Claimant but a Claimant does not have to be a Supervisor – they could be claiming for some work other than a Supervision (see paragraph 0).

Course

The Tripos Parts and Papers that a Course Director can view.

General Claim

In Version 6 this was called General non-supervision activity. Work which is not related directly to a Student or Students, e.g. invigilating a mock exam. A College chooses which categories of General Claim can be submitted by an Actor and its details (e.g. hourly rate, maximum amount, maximum hourly rate).

Payment Option

The way in which a Supervisor elects, or is allowed to be, paid. (In v6, this is known as Payment Method.)

Postgraduate

Students in CamSIS with a Career of ‘Postgraduate’. For the purposes of Supervisor Registration and management reporting Clinical Medics and Vets will be regarded as Postgraduates.

Report

A Report provides detailed feedback to the Student, is viewed by the Student’s Director of Studies and Tutor to monitor their progress, and provides statistical information to the College. There are two types of Report:

Non-supervision Report

In Version 6 was called Per-student non-supervision activity. A Supervisor creates a Report for an activity where they have performed work other than a Supervision which applies to individual Students. These activities are restricted to ‘Study Skills’, ‘English Language Skills’, and ‘Foreign Language Skills’.

Supervision Report
In Version 6 was called a Report. Supervisors create Reports for all the Students they supervise on a termly basis, for Tripos-related teaching.

*Role*

Actors of CamCORS are given access and editing rights based on their need to use the system, from set permissions provided to specific Roles. Role names are meant merely as a reminder of their capabilities. An Actor may have multiple Roles, across multiple Colleges.

An Actor will be logged into CamCORS with a single Role. If an Actor is a DoS and also a Tutor then they will have two roles – DoS and Tutor. They will only be able to act under one of those roles at any time.

*Student Hours*

The number of hours of teaching given to a Student.

*Supervisor Category*

The most senior academic post held by a Supervisor, self-certified by the Supervisor.

*Supervisor Hours*

The number of hours of teaching given by a Supervisor to one or more Students. This will be different to Student Hours if there is more than one Student in a Supervision. For example, if there are two Supervision Reports, each for two hours in a class of two Students, this represents four Student Hours and 2 Supervisor Hours.

*Undergraduate*

Students in CamSIS with a Career of ‘Undergraduate’. For the purposes of Supervisor Registration and management reporting Clinical Medics and Vets will be regarded as Postgraduates.
